

FAASTeam & Office of Runway Safety presents:

Hurry, Line Up and Wait!

You are invited to an important meeting titled "Hurry, Line Up and Wait!" At this briefing, the FAA Southern Region Runway Safety Office, FAA Safety Team, operators, pilots, and other interested parties will meet to discuss past runway incursions and propose changes / procedures to prevent them from reoccurring. This is your opportunity to contribute to surface safety at towered airports. New ATC taxi instruction procedures will be introduced. All airport users are encouraged to attend and participate in this important meeting.

Directions: I-85/I-40 Exit 145. Room 120.
